

The Pagan Federation

Our Mission Statement

To promote and defend the Pagan Traditions

Our Aims and Objectives

To seek to support all Pagans in their personal and public life, to help ensure that they have the same rights as the followers of other beliefs and members of other religions.

To promote a positive profile for Pagans and Paganism and to provide information on Pagan paths and beliefs to the media, official bodies and the greater community.

To facilitate effective communication, education and dialogue within and between Pagan communities and with non Pagans, through publications and events.

Membership

Members must consider themselves to be Pagan, be aged 18 or over and support the Aims and Objectives of the Pagan Federation.

Some members may choose to become active in the work of the Pagan Federation; others may support it simply by paying their membership subscription and joining in Pagan events from time to time.

Whatever their level of participation, all Pagans of good will who support our Aims and Objectives are welcome.

The Pagan Federation reserves the right to refuse membership.
